The New Price Explained

Following is a well defined policy, outlined at the beginning of our organization. Grant Motor Company promised to reduce the list price of the Grant Roadster to the limit just as soon as quantity production would minimize the cost of materials.

That Time Is Now

We have manufactured and shipped thousands of Grant Cars to every section of the United States and Canada. Grant representation exists in every country in the world.

With our unexcelled factory and thorough, rigid, economical manufacturing methods, we have arrived at a production cost whereby we can sell the Grant Car at \$425, and still maintain the high standard of quality and equipment.

Think of It, \$425

A complete car, supplied with every item of equipment, not a thing omitted, and what is more to the point, a car that has made good in the hands of thousands of owners, is yours at the merely nominal price of \$425.
